

# Negroni Week PDX Venue Map

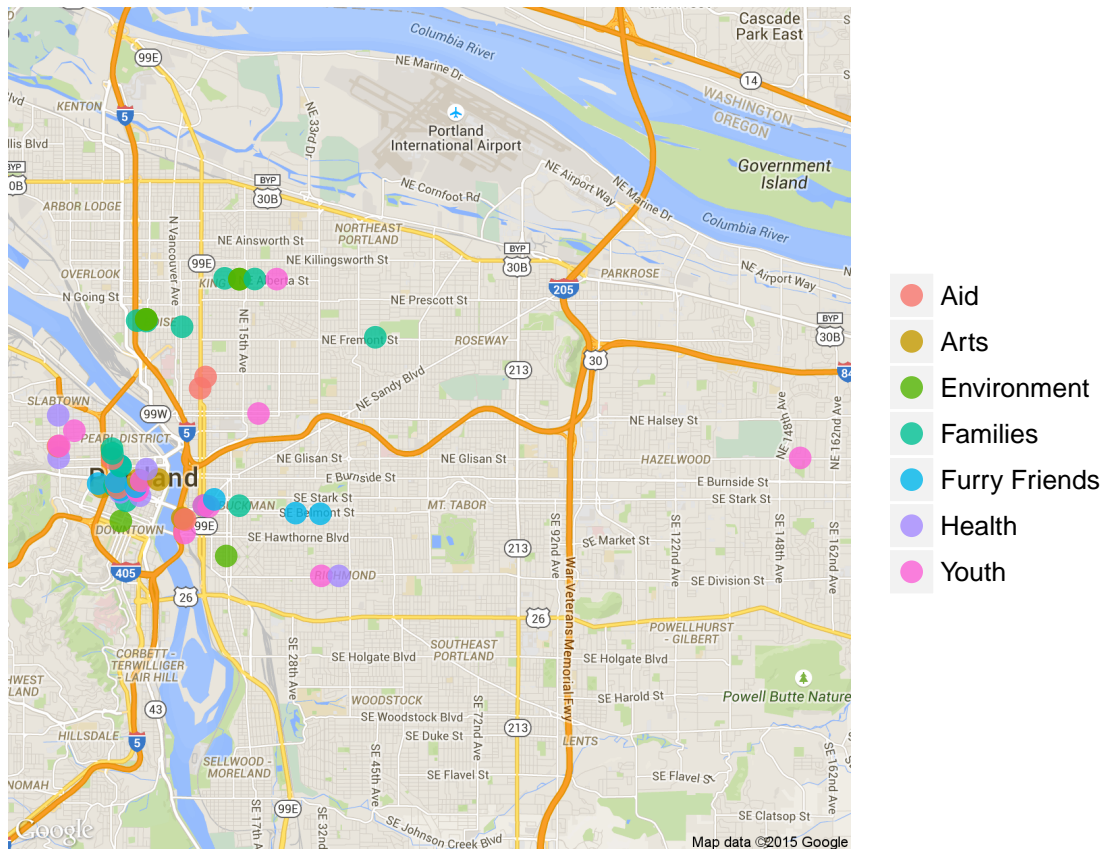

SUMMARY: Negroni Week is an annual charity event, organized by the folks at Imbibe Magazine and Campari, to celebrate the very drinkable Negroni Cocktail. Negroni Week was launched in 2013, has raise money for charitable causes around the world, with over \$120,000 raised for charities.

Locations are provided by the organizers as a set of bar names and addresses. Good for a local, but for those interested in exploring, a map is a handier data visualization. This analysis subsets the data and maps it for a given metro area. Two types of maps, indexed and no-index, are shown.

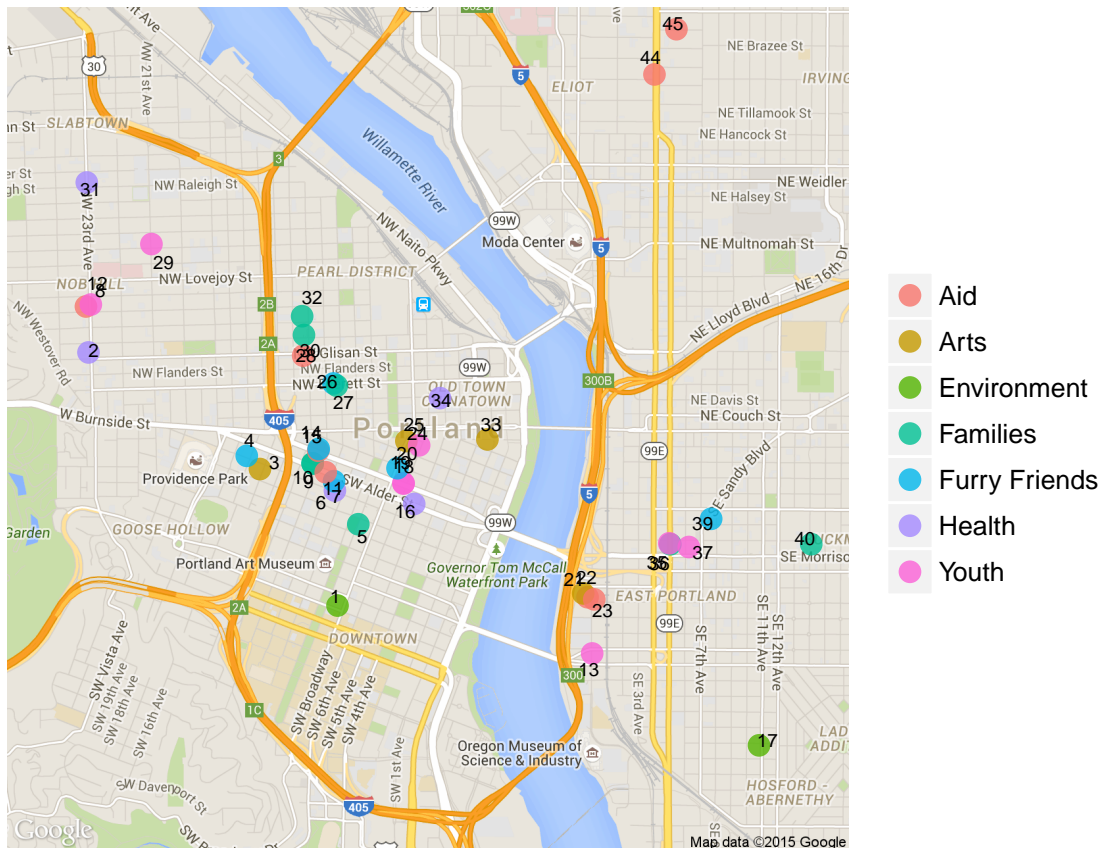

NOTES: Venues were downloaded from the [Negroni Week](#) website and correlated to geolocations using [GPS Visualizer](#). Maps are produced by the R {ggmap} package.

Information is offered without warranty.
